

libosp/osp_process
/logger.h

```
graph BT; A["libosp/osp_process  
/osp_process.c"] --> B["libosp/osp_process  
/logger.h"]
```

A diagram showing a dependency between two files. At the bottom is a white box containing the text 'libosp/osp_process /osp_process.c'. A blue arrow points upwards from this box to a gray box at the top containing the text 'libosp/osp_process /logger.h'.

libosp/osp_process
/osp_process.c
